Wednesday, September 14, 2011

11:45 a.m. – 3:00 p.m.

Goals:

- To create a “safe” environment for peer learning and reflection on the higher education and ECHS work.
- To learn what the IHE partners are doing through problem solving and sharing of best practices
- To document our learning to share with others

Guiding Questions

- How can we strategically use data for policy and advocacy, to intervene in and celebrate with our schools, and to change instructional practice to meet student needs?
- What are we learning about planning and sustainability?
